

VERMONT AND NEW HAMPSHIRE 5TH ANNUAL CARBON MONOXIDE VIRTUAL SUMMIT

NOVEMBER 5TH 2020

1:00PM-4:00PM

FEATURING

[Lyrysa Smith](#) is a journalist and author of [A Normal Life: A Sister's Odyssey Through Brain Injury](#). She will share the story of her older sister's severe brain injury from carbon monoxide poisoning and its impact on their relationship and on their entire family.

Invited guest } Roger Berkowitz, President and Chief Executive Officer of Legal Sea Foods, will share details about a CO Incident that happened in one of their restaurants.

Brianna J. Sleezer PhD, will present an overview of her research on low level chronic CO poisoning and the need for further actions to mitigate future CO poisonings.

Additionally we will receive program updates from the VT NH CO Alliance, National Fire Protection Association (NFPA), The Northern New England Red Cross and the National Carbon Monoxide Awareness Association
